All Javascript files which are subject to the Mad4Media Javascript License (M4MJL), are copyrighted by and property of Mad4Media - Dipl. Informatiker(FH) Fahrettin Kutylol.

All rights reserved.

They may studied, modified, extended and infinitely used at no charge in combination with the product package in which they are provided.

(re-) publishing, forking, sublicensing, or including in 3rd party software packages for any purpose of commercial or non-commercial use is not allowed.

If a M4MJL licensed script is provided in a GNU/GPL product package and if this package shall (re)published / forked, the script may not used and must be replaced.

The Mad4media Javascript License does not violate the GNU / GPL license.

M4MJL scripts which are included in GNU GPL licensed PHP packages are external, independent code and don't link in any kind to the (PHP) GNU/GPL code.

If this license violates the rights of third parties or the rights of other licenses; Mad4Media must be informed immediately to remedy the violation.

For this you must use the contact opportunities at www.mad4media.de.

Mad4Media will correct the violation in a timely manner. Claims can not be invoked as long Mad4Media is not informed of the violation and hasn't corrected the breach.

If a M4MJL licensed script is provided at no charge:
